

Fellowship

Definition:

A community of interest, activity, feeling, or experience.

Reasons:

1. Two receive a better reward than one alone. Eccl. 4:9
2. Believers can strengthen one another. Prov. 27:17
3. Christians are commanded to encourage one another. 5:11

Is there a specific time/place in which all Christian fellowship should occur?

Why is fellowship important?

Why are Christians expected to fellowship?

What kinds of things should result from good, Bible-based fellowship?

Who should Christians fellowship with?

Who should Christians avoid fellowshiping with?
